I believe this should be unconstitutional. Allow Uber to conduct business and give people a fair choice.

To whom it may concern:

Please don't ban Uber in SC.

The service saves me from having to own a car and saves me \$600/month on average. I am not normally politically engaged, but I would be highly disappointed and politically motivated to see change on the PSC if Uber was to be banned in SC.

Sincerely,  
James von der Lieth

Leave Uber alone! Uber cars and drivers are safe, clean and reliable. I would gladly take an Uber any day over a cab. SC needs Uber.

What's the problem? Can tax and fee them enough?

Greed...and frankly mind your own business first why don't ya!!!

Thank you,  
Nikki Nance
